Moving Ahead Together

Broadmere and New Monument Multi Academy Trust

Inspiring achievers

- We strive to *inspire* our pupils to take a keen interest in their learning, to work collaboratively with their classmates and to extend their learning at home.
- We have high expectations for our achievers, encouraging independence and resilience along with a strong sense of self-belief.

We firmly believe in taking a holistic approach towards the needs of our pupils and to this end we provide a creative curriculum along with inclusive classrooms where every child is valued.

By focussing on a 'Value of the Month' we are striving to help our children to learn the importance of having healthy relationships with others and how to develop them appropriately.

Learning is the key to future success and our teachers take a personal interest in the progress and attainment of every child, seeking to engage our learners and challenging them to do their very best. We support our families through means of an 'open door' policy and a Home School Link Worker, encouraging our families to speak to us as soon as they have a concern.
