Head Teacher:
Mr J. Alexander MA Hons. PGCE NPQH

St. Joseph's Catholic Junior School is a Christian community where we believe in following Christ as our model and inspiration in all we do. We are passionate about educating the whole child, and ensure that all our children have access to more than the basic academic subjects. The staff, governors, children and parents work hard to achieve the success we enjoy. We are all very proud of our school. Parents, carers and members of our parish community are always welcome to visit - to chat, to look at what we are doing or volunteer.

Please contact us or visit our website to find out more about our school.
